Professional Profile

I'm Cristian Mozetich, a Full Stack Developer with a strong technical background and experience in technical support. I currently work at Meta providing IT support to users who manage advertising campaigns, resolving incidents and ensuring the efficient performance of their tools. I have strong technical skills and a strong problem-solving mindset, applied to both web development and support. I adapt quickly to new technologies, work with precision, and continuously learn to contribute value to every project.

Experience

Meta - IT support (October 2024 - Present)

- Resolution of complex technical issues.
- Use of internal support and analysis tools.
- Direct communication with users and global teams.

No Country - Frontend Developer (October 2023 - March 2024)

- Participated in the planning and implementation of user interfaces.
- Developed with Next.js, Vercel, TailwindCSS and NextUI to optimize user experience.
- Collaborated remotely in a multicultural team, meeting deadlines and objectives.

Technologies

Frontend: React.js, Next.js, JavaScript, TailwindCSS, NextUI, Shadcn

Backend: Node.js, Express.js

Base de datos: MongoDB, Firebase, SQL

Herramientas: Git, GitHub, Vercel

Otros: SEO, consumo de APIs RESTful
